

Parade  
Big floats  
Crocodile moats  
Anything you could ask for, its there  
Just use imagination with care

Party  
Guests galore  
Dancing on the ballroom floor  
News need not spoil  
Those who are royal  
Though tears are still shed  
And blood is bled

REDD

This tale is said  
About evil Redd  
She makes you shiver  
Makes your lip quiver  
Only one to overthrow her  
But she is long gone, dead  
Or so the news said...

Dismal and bright  
A light surrounded in night  
The Alyssian world is amazing

But it may give you a fright  
You might not be right  
When it comes to assumptions  
Scary, yet real  
An interesting feel  
Not many people dare journey back  
For fear of a mix up, and never coming back...above the  
icy water  
So when Alyss jumped through  
Everyone knew  
Eerie and nice  
A sweet and sour spice  
A light is lit And Wonderland is legit
