Princess Alyss of Wonderland
Young Adult

adventures.

This book, in a scrapbook format, will take you on a journey back to Wonderland, with a twist. Princess Alyss of Wonderland claims to have jumped into a puddle in Wonderland and out of it in London to escape her evil Aunt Redd. Alas no one believes poor Princess Alyss and she is forced to change her name to Alice and live quite an ordinary life. Until she meets Mr. Dodgson, who promises to tell her story to the world in hopes of finding her parents and palace life. This fascinating retelling is filled with pictures, maps and pull-out letters that tell about Alyss's disappointments, hopes and
